69	There were two prevailing guidelines 1. If no application, then likely not interested - After conferring with present leadership before our meeting and at the meeting, only a few would be contacted. Strategic contacts were made and results are reflected. 2. Separately, consideration was given to whether they "had a home elsewhere." This approach helped narrow the ALMs to be EC members who could focus on ALMs issues, giving opportunities to others who were not also a chair or vice chair. That is why those statuses are reflected on the "drop" list. Each drop was discussed and considered at our meeting with these factors guiding the decisions.
