- ☐ I am **not able** to commit to attending meetings

2. **Committee Participation:** An ALM is required to be active in at least one Section Committee. Please list the Section Committee(s) you currently participate in (or would participate in) and what you have contributed (or could contribute) to each Committee:

I am currently a member of the Development and Land Use Committee.

3. **Local Involvement:** An ALM is encouraged to be active in his or her Circuit's local bar activities (especially those concerning any local real property, probate or trust law committees). Please list and explain your involvement in local bar activities:

I am not currently a member of my local bar association; however, I interact with the Paul C. Perkins Voluntary Bar to engage members as Pro Bono attorneys for the CLS Heirs' Property project and encourage their participate in the CLS Claude Nelson Peer Academy Program

I am also a Board Member of both the United Way for Lake and Sumter Counties and Housing Opportunities Project for Excellence (H.O.P.E), the state's first non-profit fair housing agency organized in the State of Florida.

4. **Communication:** An ALM is expected to be a communication conduit between the Section and the Section members in his or her Circuit. Please indicate how you would make efforts to communicate Section information to members at large in your area.

In addition to the current forms of communication that are being used, I would recommend the development of a Communication Plan to ensure consistent communication about RPPTL events, meetings and important information. Although I am not a user of social media, I would advocate for communicating by email.

I would also like to create a plan that ensures ALM attendance at local bar meetings once a year.

5. **Outreach:** ALMs are encouraged to contact new Section members in his or her Circuit, to let them know how they might get involved in the Section. Please explain how you would fulfill this responsibility:

I would recommend a bi-monthly 30-minute Zoom meeting for new member to give them a personal introduction to RPPTL and provide a conduit or questions and answers.

6. **Recent Involvement with Legal Aid:**

As the senior managing attorney for Community Legal Services' Real Property Rights Protection Unit, I currently oversee the unit's Heirs' Property Project. To enhance and strengthen collaboration of the heirs' property legal work in Florida, I brought together five other legal aid organizations to create Public Interest Heirs' Property Attorneys (PIHPA). The attorneys serve some of the largest nonprofit legal aid/legal firms across Florida and provide no-cost civil advocacy for the most vulnerable in our communities such as those that are income-challenged, have a disability, are victims of domestic violence, veterans, and the elderly.

Together, the legal aid organizations cover 57 of Florida's 67 counties and include Bay Area Legal Services (Tampa/St. Petersburg), Community Legal Services (Central Florida), Legal Services of Greater Miami (South Florida), Three Rivers Legal Services (North Central Florida), Legal Services of North Florida (North Florida Panhandle) and Legal Aid Society of Palm Beach County.

The legal aids have been specifically tasked with ensuring Florida residents with heirs' property issues and challenges are provided with high-quality legal representation to resolve property issues and avoid the creation of future title problems.

The funding each organization receives for its heirs' property initiatives and projects are specifically designated for outreach, education, legal work and the fees and costs associated with representation of heir's property clients. These services include clearing title to heirs' property through complex probate litigation, deed preparation, and estate planning to avoid probate and the creation of heirs' property.

7. **Recent Involvement with Law Schools:**

I currently supervise FAMU Law Students that are serving as Fellows in the Heirs' Property Program. The students participate in legal educational events and outreach primarily in the Eatonville community minutes from the Law School. In total the program has worked with five law students. Of the five, two are employed with CLS. Two of three that have taken the Florida Bar have passed the Bar. I have also worked with one student studying at Barry University who volunteered to work on the Heirs' Property project. PIHPA has connected with RPPTL member and University of Florida Professor Danaya C. Wright due to her work in Heirs' Property.

8. **Speaking / Writing:**

I was a member of the PIHPA team that presented to the At-Large-Members of the Florida Bar Real Property Probate Trust Law (RPPTL) Section on November 9th at the

Tampa meeting. PIHPA provided the members with information about PIHPA and the heirs' work that is occurring across the state through the legal aids. PIHPA hopes to continue to engage the support of the ALMS and RPPTL members who want to contribute to Florida legal services'/legal aids through Pro Bono services, financial donations or and/or donating legal training and resources so the public interest firms can make an even bigger impact in resolving the heirs' property crisis affecting every part of Florida.

9. **Suggestions:** Please list two suggestions you have for ways to improve communications to Section Members at Large:

1) I would recommend a quarterly email to all RPPTL members that provides updates about RPPTL and a range of activities.

2) I would suggest providing registration links to meetings underneath the various meeting listing where the date and location are listed.

10. **References:** Please provide the names of at least 2 Executive Council members who are aware of your involvement in Section activities:

Member of the Professional Educating Council of Florida. 6th Circuit Grievance Committee past member. Today, I had a Zoom with Andy Sasso and local judge re: our Circuit's new PIP/LPP Administrative Order to restart our local professionalism panels.

4. **Communication:** An ALM is expected to be a communication conduit between the Section and the Section members in his or her Circuit. Please indicate how you would make efforts to communicate Section information to members at large in your area.

I grew up in South Pinellas, live in North Pinellas, and practice in Pasco, so I enjoy good relationships throughout county. Last week we had a breakfast with the Clearwater probate judge. Zack Zurawski asked me if I would coordinate a future breakfast with the Pasco probate judge. I try to be active + engaged and welcome new members and identify future leaders.

Getting involved in RPPTL was a little overwhelming to me at first. But after putting in time of attending meetings, I find so much value. I would try to make sure to tell my own story + try to encourage involvement. I was captivated by the "Hairs Property" presentation at the ALM Committee; I can get excited about that and get others excited to help.

6. **Recent Involvement with Legal Aid:**

I am recognized as a "Justice Lover" by Bay Area Legal Services, by contributing both pro bono and monetary support to the organization. As managing partner, my firm is a "sustaining law firm" and commit to make annual donations for every attorney of the firm. I have appointments scheduled in January for 2 new Bay Area referrals.

7. **Recent Involvement with Law Schools:**

None.

8. **Speaking / Writing:**

No "formal" speaking for some time. I am frequently a panelist with local groups. No published writings

9. **Suggestions:** Please list two suggestions you have for ways to improve communications to Section Members at Large:

- 1) Allow RPPTL members to use an email other than their "main" Florida Bar email, or allow for a second email to be added. A lot of attorneys have that email monitored by support staff because of the spam stemming from public email address.
- 2) Continue to have local meetings with the probate judges and clerks. This brings out more section members than other bar meetings.

2. **Committee Participation:** An ALM is required to be active in at least one Section Committee. Please list the Section Committee(s) you currently participate in (or would participate in) and what you have contributed (or could contribute) to each Committee:

I am a member of the Real Property Litigation Committee and the Construction Law Committee. Also, I regularly attend the Probate and Trust Litigation Committee meetings. I have previously assisted with a couple of subcommittee assignments. I would like to get more involved with the Probate and Trust Litigation Committee and become a member as I enjoy the meetings, the interaction with other practitioners and I certainly always come away with insights and knowledge on current issues affecting our practice areas. On occasion I also attend the meetings for the Trust Law Committee and the Probate Law and Procedure Committee.

I have been on the Attorney Trust Officer (ATO) Liaison Conference Committee for the past 2 years. Specifically, my law partner Kimberly A. Bald, Esquire, Gentry Byrnes, and I are responsible for the law firm sponsor subcommittee. I have attended the ATO Conference the last three years. My law firm (Harllee & Bald, P.A.) has been a sponsor of the ATO Conference for approximately the last 7 years.

With the exception of a couple years, I have attended the annual RPPTL Legislative Update each year since 2011.

3. **Local Involvement:** An ALM is encouraged to be active in his or her Circuit's local bar activities (especially those concerning any local real property, probate or trust law committees). Please list and explain your involvement in local bar activities:

I am a member of the Manatee County Bar Association and the Sarasota County Bar Association. Last fall and early this year, my law partner, Kimberly Bald, and I worked with Circuit Judges Edward Nicholas, Diana Moreland, Hunter W. Carroll, Stephen Walker, and Charles Williams to organize two seminars for Manatee and Sarasota Counties. The seminar related to the recent changes to the procedural rules governing remote appearance at court proceedings and other related changes and issues. The seminar was approved by the Florida Bar for one hour CLE credit in technology. The Manatee County seminar was held in November 2022 at the Manatee County Courthouse. Our law firm, Harllee & Bald, P.A., and the Manatee County Bar Association were the sponsors. Ms. Bald and I presented the recent Florida Supreme Court rules on technology in the courtroom, and the remainder of the seminar was an interactive presentation Circuit Civil Judges Edward Nicholas and Charles Sniffen, Probate and Guardianship Judge Diana Moreland, and two county court judges. We included a discussion of who the ALMS for our circuit are and encouraged those who handle probate and trust matters to become active in the RPPTL section. The Sarasota seminar was held in January 2023. At that seminar, Ms. Bald, Amanda Kison, Esquire (an ALM for our circuit) and I presented information and that was followed by an interactive discussion with Circuit Court Judges Hunter W. Carroll, Stephen Walker, and Charles Williams. The sponsors for the seminar were the Sarasota County Bar Association, our law firm (Harllee & Bald, P.A.), and Ms. Kison's law firm (Bentley, Goodrich Kison). We included the ALMS representatives on the steering committee for this seminar and we made the same pitch to the audience about RPPTL.

4. **Communication:** An ALM is expected to be a communication conduit between the Section and the Section members in his or her Circuit. Please indicate how you would make efforts to communicate Section information to members at large in your area.

Periodic email communications to members are an effective way to inform members about issues concerning the Section. Additionally, when certain specific issues, topics or legislation are being considered or are a part of the Section's programming, reaching out to specific members who are or would be impacted about those topics is another avenue to ensure that members are aware of the matters being addressed by the Section.

5. **Outreach:** ALMs are encouraged to contact new Section members in his or her Circuit, to let them know how they might get involved in the Section. Please explain how you would fulfill this responsibility:

A lunch or meeting with the new members would be a good way to inform them of ways to get involved with the Section. Alternatively, a telephone call or Zoom conference with the person would work too if a meeting were inconvenient. Either way, a direct discussion with the new member would be most effective.

6. **Recent Involvement with Legal Aid:**

I am a member of the Board of Directors for Legal Aid of Manasota, which is a local legal aid non-profit organization providing legal aid services in Sarasota and Manatee Counties. I have been on the Board of Directors for approximately 16 years, and I served as Board Chair for 3 years. I also volunteer and do pro bono cases for Legal Aid of Manasota, and I contribute financially to support Legal Aid of Manasota every year. In addition to my personal involvement, my law firm is actively involved with Legal Aid of Manasota by volunteering to handle pro bono cases and we also make a significant annual financial contribution as a firm to support Legal Aid of Manasota.

7. **Recent Involvement with Law Schools:**

This is an area I can develop in the future.

8. **Speaking / Writing:**

See the discussion in section 3.

9. **Suggestions:** Please list two suggestions you have for ways to improve communications to Section Members at Large:

1) A lunch or after-hours social function for local Section members, which could include a discussion about the Section, Section events, etc.

2) An annual seminar similar to the one we did in Manatee County (November 2002) and in Sarasota County (January 2023).

BYLAWS OF THE REAL PROPERTY, PROBATE AND TRUST LAW SECTION

ARTICLE I NAME AND PURPOSE

Section 1. Name. The name of this section is “The Real Property, Probate and Trust Law Section of The Florida Bar” (“section”).

Section 2. Purpose. The purposes of the section are to:

- (a) provide an organization within The Florida Bar open to persons having an interest in real property (including construction), probate, trust, or related fields of law, that furthers the knowledge and practices of members in those areas;
- (b) inculcate in its members the principles of duty and service to the public; and
- (c) serve the public and its members by improving the administration of justice and advancing jurisprudence in the fields of real property (including construction), probate, trust, and related fields of law, through all appropriate means, including the development and implementation of legislative, administrative, and judicial positions; continuing legal education programs; standards for ethical and competent practice by lawyers; and professional relationships between real property (including construction), probate, and trust lawyers, and other lawyer and nonlawyer groups.

ARTICLE II SECTION MEMBERSHIP

Section 1. Membership Types. The membership of the section is the active members (“active section member”), affiliate members (“affiliate section member”), and honorary members (“honorary section member”).

(a) **Active Section Member.** Any member of The Florida Bar in good standing may become an active section member by applying for membership and paying the section's annual dues. Any person who is an active section member who ceases to be a member of The Florida Bar in good standing also ceases to be a member of the section. Reinstatement as a member of The Florida Bar in good standing automatically reinstates the person as an active section member, provided that the member is current in the payment of section dues.

(b) **Affiliate Section Member.** The Executive Council of the section (“executive council”) may, in its discretion (after review and approval of the applicant's qualifications for membership), enroll as an affiliate section member, any person who has shown the dual capacity of interest in and contribution to the section's activities and who is either a law student enrolled in an accredited law school, a graduate of any accredited law school, or a legal assistant, as defined below. Affiliate section members pay the annual dues prescribed by the executive council and have all the privileges of active section members, except that they may not vote or hold any office or position in

the section. The number of affiliate section members may not exceed 1/3 of the number of active section members.

For purposes of this Article, a legal assistant is a person who assists a member of The Florida Bar in the delivery of legal services in the area of real property (including construction), probate, trust, or related fields of law, and who has satisfied the following minimum requirements:

- (1) successful completion of the certified legal assistant (CLA) examination of the National Association of Legal Assistants, Inc.;
- (2) graduation from an ABA-approved program of study for legal assistants or graduation from any accredited law school;
- (3) graduation from a course of study for legal assistants which is institutionally accredited, but not ABA-approved, and which requires not less than the equivalent of 60 semester hours of classroom study;
- (4) graduation from a course of study for legal assistants, other than those set forth in 2 and 3, above, plus not less than 6 months of in-house training as a legal assistant;
- (5) a bachelor degree in any field, plus not less than 1 year of in-house training as a legal assistant; or
- (6) five years of in-house training as a legal assistant.

(c) Honorary Section Member. The executive council may only make an honorary section member of any person whom the executive council finds to have made outstanding contributions in the fields of real property (including construction), probate, trust, or related fields of law. An honorary section member has no vote at section meetings, is not be entitled to hold any office or position in the section, and is not required to pay dues.

Section 2. Membership Year. The membership year of the section runs concurrently with the membership year of The Florida Bar.

Section 3. Dues. The executive council establishes the amount of annual section dues for each type of section membership, subject to approval by the Board of Governors of The Florida Bar ("board of governors"). Annual section dues are payable in advance of each year of section membership. There is no proration of annual section dues.

(a) The Florida Bar bills active members of the section for annual section dues simultaneously with billing for regular membership dues of The Florida Bar. Members of The Florida Bar who become active section members are not be required to pay annual section dues for the first fiscal year following their admission to The Florida Bar.

(b) Annual section dues for affiliate members of the section shall initially accompany applications for affiliate section membership and must be paid by the date that membership dues for The Florida Bar become due.

(c) Any member of the section whose annual section dues are not paid by the date Florida Bar membership dues become delinquent ceases to be a member of the section.

Section 4. Membership Standards. All members of the section are required to observe the standards of professionalism and ethical conduct expected of members of The Florida Bar, and legal assistants who are affiliate section members are also required to observe and adhere to the Code of Ethics and Professional Responsibility established by the National Association of Legal Assistants, Inc. The executive council, by 2/3 vote of the members present and voting at a meeting, may terminate section membership for misconduct involving moral turpitude or the failure to observe the standards of conduct established by these bylaws. Any proposed termination of section membership by the executive council is an agenda item at an in-state meeting, and the affected member must be given reasonable notice of the basis for the proposed termination and an opportunity to be heard at that meeting.

ARTICLE III ORGANIZATION

The section is divided into 2 divisions, "the real property law division" and "the probate and trust law division." The section and its real property law division are served by committees and section liaisons that operate under the supervision of the real property law division director. The section and its probate and trust law division are served by committees and section liaisons that operate under the supervision of the probate and trust law division director. The section also is served by general standing committees and section liaisons that operate under the supervision of the chair-elect.

Section 1. Officers. The officers of the section are the section chair, the chair-elect, the secretary, the treasurer, the real property law division director, the probate and trust law division director, the immediate past section chair, and the at-large members director ("section officers"). The section officers, the representatives for out-of-state members of the section, and the at-large members, are selected in the manner set forth in this article.

Section 2. Qualifications. No person may serve as a section officer or in a position as representative for out-of-state members or at-large members unless the person is an active section member. Loss of active section member status causes that office or position to be vacant. Status as an active section member may cease because of a loss of status as a member of The Florida Bar in good standing that is solely attributable to a delinquency in:

- (a) the payment of membership fees or dues; or
- (b) completing continuing legal education requirements,

Reinstatement as a member of The Florida Bar in good standing and as an active section member automatically reinstates the member to the vacant office or position if it has not been filled if the person's status as an active section member ceases solely because of a Florida Bar member's delinquency in payment of Florida Bar membership fees or violation of continuing legal education requirements.

Section 3. Executive Committee. The section officers, together with the chairs of the section CLE seminar coordination committee and legislation committee, will serve as the executive committee of the section ("executive committee"), which is the planning agency for the executive council. In the event that the section CLE seminar coordination committee and/or the section legislation committee have a co-chair for the real property law division and a co-chair for the probate and trust law division, each co-chair is a member of the executive committee and entitled to one vote. The executive committee also has the full power and authority to exercise the function of the executive council when and to the extent authorized by the executive council with respect to a specific matter, and on any other matter which the executive committee reasonably determines requires action between meetings of the executive council. All action taken by the executive committee on behalf of the executive council must be reported to the executive council at its next meeting. The executive committee must not take any action that conflicts with the policies and expressed wishes of the executive council. The executive committee also:

- (a) recommends to the chair-elect appointments for chairs and vice chairs of section committees and section liaisons;
- (b) recommends to the section's long-range planning committee ("long-range planning committee") nominees for at-large members; and
- (c) performs such other duties as directed by the executive council or prescribed in these bylaws.

Section 4. Nominating Procedure.

(a) The long-range planning committee consists of all past section chairs who are members of the executive council, is chaired by the chair-elect, and submits nominees to the section for election to the offices of chair-elect, secretary, real property law division director, probate and trust law division director, treasurer, at-large members director, and the positions of representatives for out-of-state members and at-large members. If the office of chair-elect becomes vacant during the year, the nominations submitted by the long-range planning committee for the following year must include a nominee for the office of section chair. The chair-elect must notify the members of the section of the names of the nominees no later than 45 days prior to the section's annual meeting ("election meeting"). In submitting nominations for at-large members, the long-range planning committee considers recommendations from the at-large members' director and the executive committee.

(b) No nominations for any elected office or position other than those made by the long-range planning committee will be permitted, except that nominations may be made by a written nominating petition signed by 25 or more active section members and submitted to the section chair not less than 30 days prior to the election meeting. If

more than one person is nominated for any elected office or position, the section chair, assisted by any special committees appointed by the section chair, will determine the procedures to be followed for that election.

(c) Each nominee will be permitted to prepare a statement of no more than 500 words, to be reproduced and distributed by the section to its members, either as an article in the section's publication, *Action Line*, or separately. Any statement will also be distributed at the election meeting.

Section 5. Election and Term of Offices and Positions.

(a) The offices of chair-elect, secretary, real property law division director, probate and trust law division director, treasurer, at-large member director, and the positions of representatives for out-of-state members and at-large members are elected by majority vote of the active section members in attendance and voting at the election meeting held prior to July 1 of each year.

(b) The nominees elected serve for a period of 1 year, beginning on July 1. The chair-elect automatically becomes section chair on expiration of the term as chair-elect or on the death, resignation, or removal of the section chair.

Section 6. Duties of Officers.

(a) **Section Chair.** The section chair is the chief executive officer and principal representative of the section, and presides at all meetings of the section, the executive council, and the executive committee. The section chair also is responsible for reports to The Florida Bar or the board of governors and for performing other duties prescribed in these bylaws or which customarily pertain to the office of section chair. The section chair is an ex-officio member of all section committees.

(b) **Chair-elect.** The chair-elect is be responsible for:

(1) the general standing committees and any projects assigned to them, including the preparation and submission of any required reports;

(2) duties designated by the section chair, the executive council, or the executive committee; and

(3) other duties as prescribed in these bylaws or that customarily pertain to the office of chair-elect. The chair-elect shall serve as acting section chair in case of temporary disability or absence of the section chair, but only for the duration of the section chair's disability or absence. Any issue concerning the disability or absence of the section chair is determined by the executive committee, subject to review by the executive council.

(c) **Secretary.** The secretary takes and records:

(1) minutes of meetings of the executive council (including record of attendance);

(2) significant actions taken by the executive committee, including all actions which exercise any function of the executive council; and

(3) the election results at the election meeting. The secretary files all of those records with the permanent records of the section at The Florida Bar headquarters in Tallahassee. The secretary also reports and keeps a record of all policies adopted by the section as a separate record.

(d) Division Directors. The real property law division director and the probate and trust law division director are responsible for the section committees within their respective divisions, and for the projects assigned to them, including the preparation and submission of any required reports of such section committees.

(e) Treasurer. The treasurer and the appropriate staff of The Florida Bar makes certain that the financial affairs of the section are administered in a manner authorized by the section's budget and in accordance with the standing policies of the board of governors. The treasurer monitors and reviews for correctness all accounts, reports and other documents pertaining to section funds, revenues and expenditures that are furnished by the staff of The Florida Bar. No reimbursement may be made to any member of the section without approval of the treasurer, and any reimbursement to the treasurer must be approved by the section chair or chair-elect. The treasurer:

(1) works with the chair-elect to prepare and submit a projected budget to the executive council;

(2) reports from time to time on the section's present and projected financial condition, advising the executive committee and the executive council as to the financial impact of any proposed action that might have a significant impact on the financial condition of the section; and

(3) prepares other recommendations and special reports of financial affairs of the section as requested by the section chair.

(f) At-large members Director. The at-large members director:

(1) defines any responsibilities of the at-large members in consultation with the executive committee;

(2) is responsible to the section for the at-large members;

(3) evaluates the performance of the at-large members on an annual basis;
and

(4) recommends nominees to the long-range planning committee for at-large members.

(g) Immediate Past Section Chair. The immediate past section chair provides counsel, guidance and advice to the executive committee.

Section 7. Vacancies.

(a) If the office of section chair becomes vacant, the chair-elect immediately assumes the office of section chair, and serves as section chair for the remainder of the unexpired term, as well as for the following term for which the chair-elect was elected to serve as section chair.

(b) If the office of chair-elect becomes vacant, the section chair assumes the duties of the office of chair-elect for the remainder of the unexpired term. In that event, at the next election meeting, a section chair must be nominated and elected in the manner provided in these bylaws.

(c) If the offices of section chair and chair-elect both become vacant, the long-range planning committee must convene an emergency meeting and select a qualified person to serve as section chair for the remainder of the unexpired term. In that event, the person selected as section chair shall also assume the duties of the office of chair-elect for the remainder of the unexpired term and, at the next election meeting, a section chair shall be nominated and elected in the manner provided in these bylaws.

(d) If any office other than section chair or chair-elect becomes vacant within 6 weeks of the next scheduled in-state meeting of the executive council, the executive council at that meeting selects a section member to fill the vacancy for the remainder of the unexpired term. If no in-state meeting is scheduled within 6 weeks following the creation of a vacancy, the executive committee selects a section member to fill the vacancy.

(e) Vacancies in the positions of representative for out-of-state members and at-large members are filled by the section chair.

ARTICLE V EXECUTIVE COUNCIL

Section 1. Power and Duties. The executive council is the governing body of the section and has the power and duty to fully administer these bylaws, including the power to exercise all authority expressed or implied in these bylaws and to employ necessary personnel on behalf of the section.

Section 2. Membership. The executive council consists of the section chair, the chair-elect, the real property law division director, the probate and trust law division director, the treasurer, the secretary, the at-large members director, the chairs and vice chairs of section committees, the section liaisons, the member of the board of governors appointed as its liaison representative to the section, the at-large members, the past section chairs, and the representatives for out-of-state members of the section.

Section 3. At-large members and Regional Representation. The existence of the at-large members category is intended to help the section achieve the goal of maintaining active, productive members on the executive council, while preserving regional representation. To be considered for such a position, a prospective at-large-member must demonstrate the willingness and ability, through previous committee leadership or

otherwise, to assist the section with its needs. To the extent that the section officers, chairs and vice chairs of section committees, section liaisons, and representatives for out-of-state members of the section serving on the executive council do not include geographical representation from each judicial circuit and outside of Florida, the at-large members should include such representation when reasonably practicable.

Section 4. Attendance. Regular in-person attendance by executive council members at executive council meetings is requisite to the proper performance of their duties and responsibilities. Accordingly, if any past section chair is absent from 10 consecutive in-state executive council meetings, or if any other member of the executive council fails to attend at least 2 in-state executive council meetings in-person in any membership year, the member is deemed to have resigned from the executive council, and any section office or position held by that person is deemed vacant. Virtual attendance, if otherwise permitted by the section chair at an in-state executive council meeting, will not satisfy the requirements of in-person attendance. The resigned member is not eligible for election to or membership on the executive council for the next succeeding membership year unless: (i) the executive committee, on a showing of good cause for the absences, waives the attendance requirement for the membership year involved or period; and (ii) the waiver is announced at a formal meeting of the executive council and duly recorded in the minutes of the meeting. Any vacancy created by the absence of a member as provided here is filled as provided in these bylaws.

ARTICLE VI SECTION COMMITTEES AND LIAISONS

Section 1. Committees. The section chair has the authority to establish and dissolve committees and liaison positions as the section chair deems necessary or advisable, except for the section legislation committee and the CLE seminar coordination committee. The section chair promptly reports such changes to the executive council, and they are effective until and unless disapproved by the executive council.

Section 2. Section Committee Chairs and Liaisons. Prior to July 1 of each year, after considering the recommendations of the executive committee, the chair-elect makes the following appointments for the coming year:

- (a) chairs and vice chairs of the section's real property law division committees;
- (b) chairs and vice chairs of the section's probate and trust law division committees;
- (c) chairs and vice chairs of the section's general standing committees; and,
- (d) section liaisons to other sections and groups.

The section chair has the power to remove chairs and vice chairs of section committees and section liaisons if the section chair believes that it is in the best interest of the section to do so and to fill vacancies in those positions (including vacancies resulting from the section chair's creation of new section committees or liaison positions). As used in these bylaws in reference to section committees, the term "chair" includes co-chairs.

Section 3. Committee Members. The chair of each section committee may appoint and remove members to and from that committee, except that a committee chair may not remove a vice chair of the committee.

Section 4. Section Membership Requirement. No person except an active section member may serve as a:

- (a) member of any section committee;
- (b) chair, vice chair, or voting member of any section committee; or
- (c) section liaison.

Reinstatement as a member of The Florida Bar in good standing and as an active section member automatically reinstates the member to the vacant position if the person's status as an active section member ceases solely because of a Florida Bar member's delinquency in payment of Florida Bar membership fees or violation of continuing legal education requirements, but only if the term of the position has not ended, and if the position has not been filled.

Section 5. Committee Reports. The chair of each section committee must submit a written annual report of the committee's activities during the year to the executive committee by the date requested by the section chair.

ARTICLE VII MEETINGS

Section 1. Annual/Election Meeting of the Section. The section chair designates the time, date and location in Florida of the annual meeting of the section at which the elections provided by Article IV will occur before July 1 each year. The meeting will be in-person unless the chair determines that, due to an unforeseen emergency, the meeting location is not reasonably available or there is anticipated to be an unreasonable risk to the safety of the members if physical attendance is required. In the event virtual attendance is permitted, the chair must disclose to the section members, in writing, the justification for permitting virtual attendance at the meeting. The chair must also issue protocols permitting members to attend and vote electronically. At the election meeting, a majority of the chair, secretary, and chair-elect determine the number of section members in attendance entitled to vote. Voting by proxy is not permitted. Any challenge to voting will be determined by the executive committee. If no nominee receives a majority vote for an office or position, additional balloting will take place between the 2 nominees receiving the greatest number of votes until the required majority is obtained. Results of the election will be immediately announced by the section chair.

Section 2. Special Meeting of the Section. The executive council may call special meetings of the section only after 30 days' notice is given to all section members which must include the meeting's purpose.

Section 3. Quorum and Voting by the Section. The active section members in attendance at any meeting of the section constitutes a quorum for the transaction of

business and a majority vote of those in attendance and voting is binding. Voting by proxy is not permitted.

Section 4. Executive Council Meetings. There must be no fewer than 3 in-state meetings of the executive council each year.

(a) The executive council may act or transact business authorized by these bylaws, without meeting, by written or electronic approval of the majority of its members.

(b) The section chair must give at least 15 days-notice to all executive council members to call executive council meetings. The executive council meetings will be in-person unless the section chair, in the chair's full and complete discretion, specifies in the notice that virtual attendance and voting will be permitted. If the chair permits virtual attendance and voting at an executive council meeting, the chair must disclose the approximate technology cost associated with virtual attendance and that estimate must be included in the minutes of the meeting.

(c) Those present at a meeting of the executive council duly called will constitute a quorum and a majority vote of those present and voting is binding, unless a greater majority is required by these bylaws for a particular matter. Voting by proxy is not permitted.

Section 5. Executive Committee Meetings. The executive committee meets as directed by the section chair, and holds an organizational meeting prior to each membership year at a time, date, and place selected by the section chair. The section chair fixes the date and location of each meeting and must give written, electronic, or oral notice of its date and location to each executive committee member at least 48 hours before the meeting, except that notice may be truncated in the case of exigent circumstances. A majority of the executive committee may exercise its powers unless a greater majority is required by these bylaws for a particular matter. The executive committee may take action by mail, e-mail, telephone or other means without a formal meeting. Voting by proxy will not be permitted.

Section 6. Conduct of Meetings. The current edition of Robert's Rules of Order Newly Revised governs the conduct of all meetings of the section and its subdivisions, except that provisions contained in these bylaws prevails over any conflicting provision in those rules. The section chair may appoint a parliamentarian to advise and assist the section chair or any other person presiding over a meeting of the section or any of its subdivisions in connection with any procedural issues that may arise. Non-members of the executive council may address the executive council with the permission of the section chair or upon 2/3 vote of the members of the executive council present and voting without debate.

ARTICLE VIII

LEGISLATIVE, ADMINISTRATIVE, AND JUDICIAL POSITIONS

Section 1. Authority. The section may be involved in legislative, administrative, and judicial, including amicus curiae and court rule, activities that are within the purview of the section. Activities are within the purview of the section if they are significant to the judiciary, the administration of justice, the fundamental legal rights of the public, or the interests of the section, provided they are consistent with the purposes of the section and the policies promulgated by the board of governors, including the requirements that:

- (a) the issue involved is within the substantive areas of real property (including construction), probate, trust, or related fields of law;
- (b) the issue is beyond the scope of permissible legislative activity of The Florida Bar, or is within the permissible scope of legislative activity of The Florida Bar, but the proposed section position is not inconsistent with an official position of The Florida Bar on that issue; and
- (c) the issue is not one that carries the potential of deep philosophical or emotional division among a substantial segment of the membership of The Florida Bar.

Section 2. Section Positions. A “section position” is a legislative, administrative, or judicial (including amicus curiae and court rule) position that complies with Section 1 of this article and has been adopted by the section in accordance with this article. A section position, which may be expressed as a concept, may either support or oppose a matter. Any advocacy by the section must be based on a section position and comply with the requirements of this article.

Section 3. Legislation Committee. The section legislation committee consists of a co-chair for real property and a co-chair for probate and trust; a vice chair for real property; a vice chair for probate and trust; the section chair; the chair-elect; the director of the real property law division; the director of the probate and trust law division; and other members of the executive council appointed by the chair of the section legislation committee with the approval of the section chair. The section legislation committee coordinates the legislative activities of the section and acts as a liaison between: (i) the executive council or its executive committee; and (ii) the section lobbyist and legislative and administrative bodies.

Section 4. Procedures for Adopting and Reporting Section Positions.

- (a) A proposed section position must be placed on the agenda and supporting documentation distributed to the executive council at least one week prior to the executive council meeting unless those requirements are waived by 2/3 of the members of the executive council present and voting at that meeting.
- (b) A section position may be proposed by a section committee.
- (c) To adopt a section position, the executive council must, by a 2/3 vote of the members present and voting: (i) find that the proposal is within the purview of the section, as defined in Section 1 of this article; and (ii) approve the proposal. Voting by

proxy is not permitted. If the executive council cannot meet to adopt a section position prior to the time when legislative, administrative, or judicial action is required, the executive committee may by a 2/3 vote of its members present and voting adopt a section position. Any section position adopted by the executive committee must be reported to the executive council at its next meeting.

(d) Written notice of the adoption of a section position is promptly given to The Florida Bar, and circulated for comment to all divisions, sections, and committees of The Florida Bar that are believed to be interested in the matter.

(e) A section position may not be advanced unless it has been submitted to, and not disapproved by, the board of governors. A section position remains in force for the current biennial legislative session unless rescinded by the board of governors.

(f) In even-numbered years, the section legislation committee recommends those section positions to be renewed at the executive council meeting held in conjunction with the election meeting of the section.

(g) The section may not participate as an amicus curiae without the consent of the board of governors.

(h) Section positions must be clearly identified as positions of the section, and not those of The Florida Bar.

Section 5. Expenses Incurred in Advancing Section Positions. If the section lobbyist or section chair requests the appearance of a section member to advance a section position, the section may pay the member's reasonable expenses in accordance with its budgetary policies.

Section 6. Section Lobbyist. Subject to the approval of the board of governors, the section may retain a lobbyist to assist the section in its legislative activities or matters.

ARTICLE IX MISCELLANEOUS

Section 1. Integrity of Section Proceedings - Disclosure of Conflict and Recusal. The section's ability to effectively discharge its mission requires that the procedures it uses and the positions that it adopts are principled and not motivated by personal or professional gain. The section seeks to encourage the input of a wide range of views in order to understand the actual and potential consequences of each of its decisions. All members are welcome to present their views within the debates of the executive council and its committees. However, a member of the executive council or any section committee may not vote on a section matter if circumstances exist that may reasonably be expected to cause that vote to undermine confidence in the integrity of the section, executive council, or section committee. Where any fact or circumstance exists that may reasonably bring an accusation of bias, prejudice, or conflict of interest on the part of a member while participating in a section matter, it is the duty and responsibility of any member having knowledge of the fact or circumstance to make full disclosure of the fact or circumstance to the executive council or section committee. A bias, prejudice, or conflict of interest may

arise from a member's personal interests, employment, or client relationships. When such an issue arises, the chair or other person presiding over the proceeding may request the member to voluntarily refrain from voting with respect to the matter. In addition, recusal may be ordered by 2/3 of the members of the executive council or section committee who are present and voting. On recusal, the member may not vote in proceedings concerning the matter. If recusal should have occurred but did not, the validity of its actions will not be adversely affected.

Section 2. Action of The Florida Bar. No action of the section may be represented or construed as the action of The Florida Bar until it has been approved by The Florida Bar.

Section 3. Compensation and Expenses. No salary or other compensation may be paid to any member of the section for performance of services to the section, but members of the section may be reimbursed for reasonable and necessary telephone expenses, reproduction expenses and other similar out-of-pocket expenses that the member incurs in the performance of services for the section.

Section 4. Policies of the Section. Policies adopted by the executive council, including section policies, are maintained in a separate journal at The Florida Bar Headquarters in Tallahassee, Florida together with the other official records of the section.

Section 5. Amendments. These bylaws may be amended only with the consent of the board of governors on recommendation made by the executive council.

Section 6. Notice. Any requirement in these bylaws that notice (whether written or otherwise), information, or materials be furnished may be satisfied by:

- (a) any method of delivery specified in the requirement;
- (b) transmitting the notice, information or materials by e-mail to any e-mail address provided by the recipient to The Florida Bar; or
- (c) posting the notice, information, or materials to the section's website and notifying the member of the posting by e-mail to any e-mail address provided by the recipient to The Florida Bar.

Section 7. Effective Date. These bylaws are effective on their adoption by the executive council, or upon their approval by the board of governors, whichever occurs later.
